APPENDIX B.

(REFERENCE TO *Question 15 j.*)

Office of the Revenue Commissioner in Mysore.

Circular No. C. 4647—Gl. 18-19, dated 18th—21st May 1919.

The undersigned desires to draw the attention of all Revenue Officers to the remarks of the Government about the disposal of *darkhasts*, contained in para 9 of their review on the Report on the Administration of the Revenue Department for the year 1917-18, and requests the Deputy Commissioners to direct the Sub-Division Officers and Amildars to make special effort to reduce the pendency of the *darkhasts* before the close of the official year.

2. The Amildars should scrutinise the *darkhasts* registers once a week and see that all possible action is taken to bring the pending cases to disposal before the close of the official year. Where the records are pending with the Shekdars, strict orders should be issued to them to submit their reports without delay and within a specified date and severe notice should be taken if the reports are not sent by the due dates without satisfactory explanation. If the records are pending with the Sub-Division Officers or Deputy Commissioners, the Amildars should bring this demi-officially to the notice of those officers and ask for their early orders.

3. In respect of kharab and gomal lands which have been authorised to be given out for cultivation, the grant of the lands should not be delayed till the formal sub-division is effected. The procedure laid down in this office Circular No. C. 4647—Gl. 18-19, dated 19th May 1919 to have the lands demarcated and roughly measured and given out, should be followed.

4. All Amildars should note that their work in this respect will be watched and severe notice will be taken in respect of such as do not show satisfactory results by the end of the official year.

5. The Sub-Division Officers and Deputy Commissioners are requested to see in the course of their inspections and tours that the above instructions receive due attention in the taluks.

K. R. SRINIVASA IYENGAR,
Revenue Commissioner.

To—The Deputy Commissioners of Districts.
